CHAIRMAN'S REPORT

Yet another season to remember - 3 in a row, with the 1st team taking the NCE Premier Division title with a 1-0 victory over Eccleshill in the last match of the season.

Squad Reports:-

U18 Went one better than last season winning the Autoglass U18 Premier Division title. A magnificent team performance under the professional guidance of Roger Wood and Steve Whittington - 6 Stocksbridge Junior players with Simon Griffiths, Graham Baker, Sundeep Gakhil certain to be pressing for 1st and 2nd team places this season.

3rd No title again! - but still in the Premier Division of the South Yorkshire Amateur League. Age finally caught up with some of our more senior players and team building is now a priority.

2nd Promotion for the second season in succession and are now in the Premier Division of the Beefeater County Senior League - well done to the squad and Ron Akers/ C Lowry.

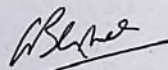

1st Mick Horne and Trevor Gough did it again - Two league championships and a Sheffield Senior Cup victory in 3 years - How lucky we are to have the best management team for miles around and who like us feel deeply upset by the Northern Premier League decision to reject our application for membership to that league (see separate article).

We have achieved much in the last 8 years - we are now accepted as being South Yorkshire's top Junior Club:-

- a) We run 4 teams
- b) All 4 are in the Premier Division of their respective leagues
- c) We have the best ground in South Yorkshire
- d) We are taking a lease on the school fields across the road and a development plan will shortly be announced.
- e) Our Youth Policy continues to produce excellent prospects.

OUR AIMS to eventually get to the Northern premier League and play at Wembley in the FA Vase final.

OUR HOPES that common sense eventually filters through to the FA and the NPL - we have done everything these organisations require by investing thousands of pounds on our ground - good enough for the FA to select Bracken Moor for Euro 96!

A BETHEL
CHAIRMAN

THE NORTHERN PREMIER LEAGUE FIASCO - THE FACTS

- NPL FIRST VISIT - 30th December 1994
- PLANNING PERMISSION - 7th February 1994
SUBMITTED
- MAIN REQUIREMENTS -
 - a) Covered standing accommodation for 250/300 behind one of the goals - footings to be in by 7th May 1994 - cost £20,000.
 - b) Additional toilet facilities (we added kitchen facilities and upstairs bar extensions) - cost £85,000.
- PROBLEMS - Because of staff shortages due to the financial situation of Sheffield City Council planning permission was unavoidably delayed.
- NPL SECOND VISIT - 10th May 1994 - footings not in but on that day Sheffield Council gave the go ahead to United Engineering Steels engineers and verbal reassurances were given to the NPL by a Senior UES Director that all work would be completed by the 10th August league deadline.
- SUBSEQUENT EVENTS -
 - a) 11th May 1994 - Sheffield City Council confirmed in writing they would be recommending planning permission and they issued a written letter of apology - UES confirmed in writing their previous verbal assurances.
 - b) Alas not good enough! - rejected by the NPL. FA Appeal - lost - cost £250
 - c) June 1994 - we are now told by the NPL that we can never be considered for promotion while we have a 3 sided football ground.
 - d) June 1994 - write to the FA - help please!

To put it bluntly the Club, Stocksbridge and all South Yorkshire believe we have been cheated out of promotion to the NPL - we could say more on this subject but we would all finish up in court!!

PS. What happened to common sense?
